

## **Instructions for payment of taxes of the fire-protection policies**

According to the fire-fighting law (Narodne Novine 106/99, 117/01, 36/02, 96/03, 139/04, 174/04, 38/09, 80/10 article 46), fire-insurance companies have to pay a tax of 5% of the total fire protection policy.

- 1,5% of the total fire protection policy (30% of 5%) is paid to the “**account of the Croatian Firefighting Association** (which is financed by the Croatian state budget)”,
- 1,5% of the total fire protection policy (30% of 5%) is paid to the “**account of the county fire-fighting association (in Croatia) where the ensured property is placed**”,
- 2,0% of the total fire protection policy (40% of 5%) is paid to the corresponding **municipality/town/district fire fighting association where the ensured property is placed**".

The accounts of these fire-fighting associations are also available on the web-site <http://www.hvz.hr/premije-osiguranja-opcenito/>.

Regarding other questions (applicability, calculation, reporting etc.), the Croatian Firefighting Association suggests to contact the Croatian Office for Insurances (huo@huo.hr).
